

## Scheduled System Outages

On Wednesday, September 12, 2007, at 9 PM EDT, certain USCIS web-based systems will be taken out of service for maintenance upgrades. They should be restored by the morning of Thursday September 13, 2007. These systems include:

- Case Status Online (and processing times)
- Field Office Locator and Information
- Civil Surgeon Locator; and
- Change of Address Online

We apologize for the inconvenience.
